

# CURRICULUM VITAE

## Professional Summary

I am a dedicated and passionate Information Technology professional with strong expertise in Teaching, Microsoft Suite, graphic design, and web development. I hold holds multiple certifications from esteemed institutions such as Creighton University, Saint Joseph's University, and Al-Quds University, and am currently pursuing a Bachelor of Arts in General Studies with a concentration in Cyber Security at Saint Louis University. I brings hands-on experience in inclusive education support through my current role as a Learner Support Assistant with Humanity and Inclusion, where I adapts learning resources to meet diverse student needs. Technically I am skilled in Adobe Creative Suite, web development languages (HTML, CSS, JavaScript, Java), R-programming, and Microsoft Office, I also combine creativity with analytical thinking. My academic and professional journey reflects a commitment to empowering communities through education, technology, and human rights advocacy. Fluent in English, Kiswahili, Arabic, and Tira, I am further an effective communicator with a global perspective and strong leadership potential.
